

FOOD SUPPLIERS INDUSTRY CREDIT GROUP

Sponsored and Administered by the Business Credit Management Association - Wisconsin Credit Association
Leaders in Administration of Credit Interchange Groups

WHAT IS AN INDUSTRY CREDIT GROUP?

This Industry Credit Group is comprised of companies within the Food Suppliers Industry selling to common customers. Member companies not only benefit from the exchange of current factual payment information, they also have an opportunity to network with their industry peers on credit and collection techniques and procedures, as well as industry trends. The Food Suppliers Credit Group Members are typically suppliers, wholesalers, manufacturers, or service companies of:

- Fresh, processed and frozen food
- Beverage
- Dairy products
- Meat, poultry and fish
- Groceries
- Tobacco and sundries
- Linens and tableware
- Equipment

WHAT ACCOUNTS ARE DISCUSSED IN THIS GROUP AND WHOM WILL I RECEIVE TRADE INFORMATION ABOUT?

Members will discuss credit worthiness and payment habits of subjects of mutual interest in a diverse group of suppliers servicing the industry. Although other types of subjects will be discussed, this Group's primary customer base includes:

- Restaurants
- Taverns, hotels, caterers
- Gasoline and truck stops that operate quick marts and/or convenience stores
- Institutions such as hospitals and schools
