

International Credit Executives Scholarship Guidelines

Mission: To reward representatives of member companies that are actively involved in ICE by providing scholarship benefit to the representative member student or students in the representative member's immediate family.

Eligibility: Member company is in good standing and actively participates in ICE, which is defined as having attended a minimum of 2 ICE events in the past 12 months.

Student applicant must be accepted/enrolled full time into an accredited Institute of Higher Education with a major that preferably emphasizes an international business component, but other areas of study are also eligible for consideration.

Students are not eligible for scholarship more than one time. This ensures ICE the benefit of new applicants/member involvement each year. However, if an application is not approved or awarded scholarship after submission, the student may apply again in subsequent years.

Administration: ICE Scholarship Committee (5 members as appointed by ICE Advisory Board) will determine scholarship winner(s).

Scholarships are not given, they are earned. If all the criteria in the application are not met by applicants, Committee may determine no scholarships awarded.

Applications should be done online on the WCA Website under the International Group tab, or can be sent with attachments via e-mail to admin@wcacredit.org. They are due by June 30, and the winner(s) will be selected by July 15.

Scholarships winner(s) will be announced at next ICE Meeting immediately following the selection in July. Disbursement is intended to be directly to the Institution of Higher Education the winner(s) will be attending. Recipient(s) of scholarship will provide information needed to facilitate disbursement.

The Scholarship amount will be a minimum of \$1,000. The number of scholarships awarded is at the discretion of the ICE scholarship committee and will depend upon quality of applicants and funds available.

Activity Timeline	Begin Date	Deadline
Application and guideline review/update for current year	January	March
Meeting announcements-application opens May 1 online	March	May
Application receipt window	May 1	May 31
